Curriculum by Mr. Bassett: Testing is in progress for grades 3-5 in language arts and at the MS/HS. Next week testing will move on to math. Our thanks goes to the district IT team. We are testing 250-300 elementary students on devices and have had no technology issues. Also thanks goes to our teachers who have prepared the students to use the devices. The elementary examined data from earlier tests at their in-service day. We are regaining ground from the COVID slide in math.

Elementary by Mrs. Cox: On April 5, teachers participated in professional development on the new Wonders curriculum which will begin next year. They learned the ins and outs of where resources are so they can be ready for the fall. Additionally, emphasis was placed on how to use the new curriculum in conjunction with Letterland, our phonics curriculum. April 6 was midterm for the third trimester. A fundraiser for Catcher, the therapy dog, will be coming soon. These funds will be used to pay for Catcher's veterinarian bills. Catcher turns 3 this week and birthday celebrations are planned. April 30 is Arbor Day which will be celebrated with a virtual assembly on the history and care of trees. Right to reed week is May 3 to 7. Bryan PTO has donated 450 books to be given out to students. Requests have been declining recently. Generous donations to the program have left it with a balance of \$15,000.
